

**“ON-LINE TRAINING COURSE ON FOOD LABELLING AND FOOD  
PACKAGING”  
TRAINERS PROFILE**

*(Alphabetically sorted)*

## Estu Hariyani

Email: [haryaniestu@gmail.com](mailto:haryaniestu@gmail.com)

Estu has more than 10 years of experience on delivering agricultural training for related human resources. She specialises in food labelling, especially in food labelling requirements. She holds a Master of Food Science and Technology from Brawijaya University.

She is currently a lecturer in the Indonesian Centre for Agricultural Training of Lembang – the Ministry of Agriculture of the Republic of Indonesia.

## Fiadini Putri, M.Sc.

Email: [fiadini83@gmail.com](mailto:fiadini83@gmail.com)

Fiadini Putri has more than 10 years' experience in training and teaching human resources working in agriculture. She is an agronomist and horticultural specialist. She has extensive professional experience in horticulture, global trends, research, inorganic nutrients and secondary metabolites of plants. She also trains, as part of food labelling and food packaging training, in the overview of food labelling.

Currently she works at the Indonesian Centre for Agricultural Training of Lembang, the Ministry of Agriculture of the Republic of Indonesia as Lecturer.

Fiadini is currently completing PhD in agronomy and horticulture at the Bogor Agricultural Institute.

## Dr. Ir. Leli Nuryati, M.Sc.

Leli is the Director for Indonesia Center for Agricultural Training, Ministry of Agriculture of the Republic of Indonesia. She has expertise in developing human resources and building capacity, based on her formal education with a Ph.D. in Management. She has also completed a training on advocacy for agricultural and rural statistics from the SIAP headquarters in Japan.

Leli coordinates dozens of training centres in agriculture in Indonesia, including one in horticultural crops.

## Ir. Saptoningsih, M.P.

Email: [Saptoningsih1966@gmail.com](mailto:Saptoningsih1966@gmail.com)

Saptoningsih has more than 30 years of experience in training human resources in agriculture. She is specialised in food packaging, particularly in packaging types and designs. She has a Master's Degree in Nutrition from Gadjah Mada University.

She currently works as a training on food processing at the Indonesian Centre for Agricultural Training – the Ministry of Agriculture of the Republic of Indonesia.
